Letter Regarding Lost or Misplaced Drawings

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

On January 18, 2001, we received, by return mail, the postcard submitted with the filling of the present application. A notation on the postcard indicates that the Drawings submitted with the application were not found in the papers received by the mailroom. At the direction of a PTO Customer Support representative, the present submission is made to supply the PTO with the lost or misplaced drawings.

The present application is a divisional application of co-pending parent application Serial Number 08/503,453. The Issue Fee in this parent application was filed on January 12, 2001.

The present application was filed with a true and complete copy of the specification, claims, and drawings as originally filed in the parent application. In support, the following documents are presented:

Exhibit A is a true copy of the transmittal letter identifying that the drawings (seven sheets) were included with the application as filed.

Exhibit B is a true copy of the post card prepared against the application as filed and which indicates that the drawings (seven sheets) were included with the application as filed.

Exhibit C is a Declaration of Megan Beltran, who prepared the collection of papers submitted as the present application. Ms. Beltran organized and placed the documents of the present application in the envelope that was then sealed and mailed by Express Mail to the Patent and Trademark Office. Exhibit C establishes that the drawings (seven sheets) were placed in the application envelope.

Exhibit D is a Declaration of Gerald B. Rosenberg, who reviewed the collection of papers submitted as the present application. Mr. Rosenberg confirmed that the application package included complete copies of the specification, seven sheets of drawings, and declaration from the prior application.

Also enclosed is a replacement copy of the drawings (seven sheets) submitted with the filing of the present application.

Since the present application was complete as filed, including all seven sheets of the drawings, the above identified serial-number and filing date are correct and should be maintained by the Office. Should there be any question with regard to the completeness of the present application as filed, the Patent Office is urged to contact the undersigned Attorney of record by telephone.

The Commissioner is authorized to charge any underpayment or credit any overpayment to Deposit Account No. 50-0890 for any matter in connection with this response, including any fee for extension of time, which may be required.

Respectfully submitted,

Date: 1/25/2001
